Neonatal
Nurses

Southern California Chapter

**24th Annual Southern
California Association of
Neonatal Nurses Conference**

Conference Information

This conference is designed for neonatal healthcare professionals and interested students, offering current information pertinent to everyday practice in the Neonatal Intensive Care Unit.

SCANN—The Southern California Association of Neonatal Nurses was established in 1989. Our goal is to facilitate an exchange of information and to establish a forum for networking among neonatal nurses and other neonatal healthcare professionals, making continuing education available to its members on a regular basis. For more information visit www.neonatenurses.com

Accreditation—The Southern California Association of Neonatal Nurses (SCANN) is approved by the California Board of Registered Nursing (provider #ECP9626) to offer up to 8.25 contact units for this education conference. CEUs will be delivered via email after attendee has submitted electronic conference evaluation.

Tuition—Registration fee includes: full tuition, breakfast, lunch, refreshments and snacks at breaks, online access to presentations, and parking. If registering online, confirmation will be sent via PayPal email. If registering by check, personal email will be sent with confirmation.

Hotel Accommodations—Can be reserved at www.sheratonsandiegohotel.com

Conference Faculty

Amy Anyangu, RN

Amy Anyangu is the System Director of Safety and High Reliability Organization Development at SCL Health in Denver, CO. Amy has worked in healthcare for more than 20 years. For the past ten years, her focus has been on improving outcomes in healthcare with a special emphasis on safety culture, reducing power distance and authority gradient, physician engagement, collegial interactive teams, clinical excellence and high reliability outcomes.

Margaret Yonekura, M.D., F.A.C.O.G.

Dr. Margaret Yonekura is a board-certified obstetrician-gynecologist with subspecialty certification in Maternal-Fetal Medicine. She is a recognized expert in the fields of infectious diseases in Ob-Gyn and perinatal substance abuse.

Brianna Negrete, MM, MT-BC

Brianna Negrete earned her undergraduate degree and master's degree in music therapy and is additionally certified in NICU Music Therapy. She has been serving NICU families and their babies for 9 years, currently at UCSF Benioff Children's Hospital. She is inspired to empower family members to use music to help bond and engage with their child while in the hospital.

Jeffery Gold, M.D. Ph.D.

Dr. Jeffery Gold is director of neonatal neurology at Rady Children's Hospital San Diego and an assistant professor of neurosciences and pediatrics, epilepsy and neurophysiology at UC San Diego. He attended UCSD for his medical and graduate studies.

Casey Ward M.D.

Dr. Casey Ward is in the 3rd year of his neonatology fellowship at UC San Diego. He did his residency at Oregon Health and Science University. He is currently doing research on Metabolic Understanding of HIE and is also doing a quality improvement project on improving time to full feeds in ELGAN infants.
