- 1) Meeting brought to order by Nicole Dominguez, Past President.
- 2) Nicole thanked our speaker and those in attendance for coming and wished everyone a happy nurses week.
- 3) Conference Update: Nicole mentioned that the conference will be at a new location this year. It will be November 5th, 2018 at the Sheraton Marina on the bay near the airport. The change in venue is due to a scheduling conflict at the previous location and also to have a larger venue. We will have a brochure out soon and have some great speakers lined up. Nicole asked those in attendance if they would like to see posters at the conference again and the overall consensus was yes.
- 4) Treasures Report: Jillian mentioned that there is nothing new to report and that if anyone wants to see a full detail of SCANN's money and expense's there are monthly and yearly treasures reports on the SCANN website.
- 5) Secretary Report: Christina mentioned that we have 130 current SCANN/NANN members and if anyone wants to renew there membership or join for the first time to go to the NANN website and add SCANN to the purchase of the NANN membership. Also for those in attendance to expect an email tonight or tomorrow with a link to the evaluation and a printable CEU at the end. If anyone has any trouble to contact Christina.
- 6) Nicole mentioned that there have been some email glitches lately so if anyone is trying to contact a board member and does not get a response to try another board member.
